CHAPTER III
METHODOLOGY OF RESEARCH

3.1 Method of Research

In this research, I use descriptive qualitative method. It means that through this method it gives a clear description about the problem that is being researched.

3.2 Sources of Data

The sources of the data of this research are the third album of Jason Mraz. The title of the album is “We Sing, We Dance, We Steal Things”. This album has 12 songs. The songs are:

1. A beautiful mess
2. Butterfly
3. Coyotes
4. Details in fabric
5. I’m yours
6. If it kills me
7. Live high
8. Love for a child
9. Lucky
10. Make it mine
11. Only human
12. The dynamo of volition.”
3.3  Technique of Collecting Data

Firstly, the data of this research are conducted by listening the songs and browsing the lyric of songs. After I listened the song I read the lyric for several times. Then I found out the idiomatic expression that were used in the lyric of the song. The next step is collecting the data and selecting which has the idiomatic expression.

3.3.1  Technique of Analyzing Data

Technique of analysis data, I used qualitative analysis. Firstly, identify the idiomatic expression in Jason Mraz's song. And then classify the data based on Lim’s classification of idiom and interpret the meaning of each idiom that I found.
